FOREWORD

It gives me an immense pleasure to report you the various steps taken by our college during the academic year 2008-09 to enhance the standard of education & improve the overall performance of students. It is such efforts help students to find their names in the merit list of North Maharashtra University. One of our students miss Harsha Ogle from the Arts faculty stood second for the B.A. Degree examination. Our another student from science faculty Miss Swati Patil ranked 5th in the University list at the final year examination of BSc degree. The efforts of the Various Committees also improved the performance of our students in Co-curricular and extra curricular activities. Our students, Vasave Stepan got the IIIrd prize in an ersay competition organized at the University level on the theme 'Right to in formation.

The college being located in tribal area, is very consciours about uplifting the standard of living of tribals and hence works hard on tribal students. This year in collaboration on with North Maharashtra University our college started 'Eklavya Training Centre which intends to help tribal students to perform well in competitive exams like, UPSC and MPSC. The centre guided 75 tribal students this year & Organised lectures of scholars for these tribal students. The centre also conducted practice exams & provided reading material to the students.

The faculty of the college is also conscious of the improvement of the standard of education and their own career. This year two members from the faculty Mr.I.G.Pathan & Mrs.S.B.Bansode received their M.Phil degrees from North Maharashtra University. Mrs Bansode completed her research work under the Guidance of Dr.R.D.Patil the head of the dept of Zoology and she is the first research student of Dr.Patil to receive the degree. Besides this other two faculty members submitted their dissertations for M.phil degree. Two faculty members have registered their names for Ph.D degree Dr.R.A.Mali of the dept of Hindi published his book "Aantim dashak ke lekhikaonke sahitya main Nari. This book is about women in the works of female writers of the last decade and it is published by Vidya Prakashan, Kanpur. He also published his two articles in two popular magazines. Another faculty member Shri.H.N.Kamble also published a book on environment studies and a question bank on physical Geography. Our two faculty members have submitted their proposals for minor research projects and one of them Mr.I.G.Pathan received the financial assistance for his project. Two faculty members Shri.I.G.Pathan and S.R.Borse participated and presented research papers in an international conference

The faculty members showed interest in social service and society also appreciated it. One of our faculty members Mr.A.B.Mahajan is honoured with the award Diamond of Maharashtra for his social service by TRIMUTI CONSUMER AGRICULTURE AND HEALTH SUPPORT ORGANIZATION, MUMBAI.

Our college had the honours to host a University level principal conference, organized by principals forum. Around 40 principals attended the conference on the theme 'New trends and challenges in higher education. Dr.Advant, the retired principal of S.B.College Aurangabad was the chairperson and Mr.Anil Rao, Principal, M.J.Collge, Jalgaon was resource person.

This year North Maharashtra University Jalgaon has organized a lecture series in the memory of late Y.S.Mahajan former M.P.and an educationist. Our college had the hanour to arrange one lecture of that series. Dr.Ingle the Director of Environment science NMU Jalgaon delivered a speech on the subject Environment and Human Beings

Our students also participated in various sports events at University and state level tournaments. Eight students represented the University in various inter University tournaments. They also participated in Ashwamedh the inter University tournament, organized by the Govt.of Maharashtra.

For the effective implementation of the activities the co-operative and democratic support of our management was valuable.

I would like to conclude with a sincere request to judge our efforts by considering that ours is not only rural college but an entirely tribal one. Your support will encourage us to work hard and put in more efforts in achieving our goal to uplift the standard of the tribals.

15) Science Association :-

This association works for enhancing a scientific attitude and research attitude by organizing lectures of eminent persons and scientists. Science association also create health awareness among students, particularly female students.

16) Teacher – Parent Association :-

The basic intension of this committee is to interact with the parents and share their suggestions to improve teaching learning process. This year the gathering of the parents with teacher was organized on 30/01/2008 to discuss the problems and difficulties of the students through their parents.

17) Alumni Association :-

The college has already appointed the executive body of the association of former students. They gather once or twice every year, and share their experiences with the present students of the college. This year two such meetings were arranged.

18) Grievance redressal cell and antiragging committee :-

To follow the university statutes and the policy of the government the grievance redressal cell has been formed to solve the problems put up to them by students. The college also has formed anti- ragging committee to prevent such evil practices in the college. However ours might be the only college where such problems are not there.

19) Social Sciences Association :-

This association organizes various programmes to create awareness among students about social sciences like history ,sociology, geography etc. The association celebrates historical events to inspire students to be active in patriotic activities. This year the association organized lecturer of Shri.B.P.Jadhav on 9 th Aug,2008 to celebrate krantidin. He delivered lecture on the ignored freedom fighters of khandesh.

20) Cultural Association :-

This association provides opportunities to the students to develop their artistic skills in different arts, like singing, dancing, acting etc. The association organizes local competitions of such art & prepares

students for the competitions at higher level. The association guides students for university level competitions. Every year the association prepares a team of students to participate in youth festival of North Maharashtra University. This year 18 students represented our college at the festival at M.J. College ,Jalgaon.

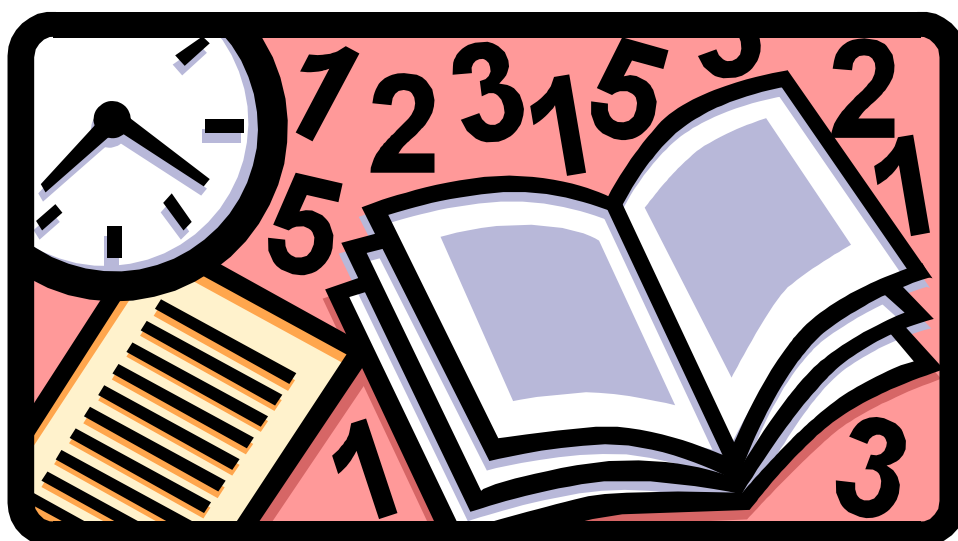

21) Environment Science Committee :-

North Maharashtra University has introduced environmental science as a compulsory course for the 1st year students for all the facilities. The committee arranges lectures for this course & invites guest lectures to create awareness about. The environmental issues among the students. The committee also allots topics for project reports & guides students to prepare the report which is a part of the Environmental Science Course.
